INTRODUCTION

ABOUT US

Steenkamp Quantity Surveyors is a registered Quantity Surveying practice located in Windhoek, Namibia. We offer a full scope of Quantity Surveyor services and more. At SQS we pride ourselves in delivering projects as per client's requirements.

BACKGROUND

Steenkamp Quantity Surveyors was established in December 2019 by Ewald Steenkamp. Ewald started his construction career in 2007 as an engineering draftsman. He went on to study Architecture and Quantity Surveying. After graduating in 2014, he started to work as a Quantity Surveyor in-training at a consulting practice. He registered as a professional Quantity Surveyor in 2018.

TESTIMONIALS

Professional, dedicated and experienced team of Consultants. It is always a pleasure to work with Steenkamp Quantity Surveyors on various building or construction projects. Also very reliable as well.

- Delisa B Ndhlovu

Absolutely superb professional service received from Steenkamp Quantity Surveyors. Excellent work delivered very very professionally. I am totally satisfied with the quality of their work.

- Chardi Birgitta Klein

Steenkamp Quantity Surveyors are very reliable and spot on with their figures. I made use of their service a lot and have not been disappointed yet.

- Neville Koopman

We had engaged Steenkamp Quantity Surveyors to appraise a large scale affordable housing project for an intended Construction Finance Facility. In our engagement with Ewald; he showed the utmost professionalism, great attention to detail and quick turn around time. I strongly recommend their services for companies looking to engage a competent QS firm in Namibia.

- Kunmi Odufuye

WE LOOK FORWARD TO WORKING WITH YOU!
